LIVE

THE LIVE STREAM PROFESSIONALS

PRICING: € 1.150 EX VAT (PER EVENT)

IF BOOKED FOR 3 EVENTS (€ 1.025 EX VAT), IF BOOKED FOR 6 EVENTS (€ 950 EX VAT).

GENERAL INFORMATION

ALL ONBOARD CAMERA EQUIPMENT IS TO REMAIN THE PROPERTY OF ALPHA LIVE LTD OR OF ANY OF IT'S 3RD PARTY SUPPLIERS. ALPHA LIVE WILL FIT AND INSTALL THE CAMERA EQUIPMENT INTO THE VEHICLE AND WILL HAVE A SUPPORT OPERATIVE ON-SITE WHO CAN ASSIST AND MAINTAIN THE ON-BOARD EQUIPMENT DURING THE EVENT.

THE SUPPORT OPERATIVE FROM ALPHA LIVE WILL WORK WITH YOUR TEAM TO ENSURE A SUITABLE AND SAFE MOUNTING OF THE EQUIPMENT. ALL EQUIPMENT USED IS 4G BASED, DURING TESTING AT THE CIRCUITS VISITED BY THE SERIES WE'VE ACHIEVED STABLE CONNECTIONS. IT'S WORTH NOTING THERE IS ALWAYS RISK OF MINOR OUTAGES OR SIGNAL DISRUPTION WHICH CAN BE OUTSIDE OF THE SUPPLIER'S CONTROL. FOR THE BEST RESULTS, THE SUPPLIER WILL AIM TO MOUNT THE ENCODING DEVICE IN A LOCATION WHERE IT'S ANTENNAS CAN POINT UPWARDS AND HAVE MINIMAL OBSTRUCTION. ALL EQUIPMENT CAN RUN OFF IT'S OWN POWER SOURCE, SO NO POWER SOURCE IS REQUIRED WITHIN THE VEHICLE.

ALL ONBOARD EQUIPMENT WILL BE COLLECTED AFTER THE VEHICLE'S LAST SESSION OF THE EVENT. SHOULD THE EQUIPMENT STILL BE FITTED WHEN YOU ARE READY TO LEAVE, PLEASE REACH OUT TO THE SUPPORT OPERATIVE. REMOVAL WILL FOLLOW AS QUICKLY AS POSSIBLE.

PLEASE DO NOT TAMPER WITH THE EQUIPMENT INSTALLED WITHIN THE VEHICLE. THE SUPPLIER'S TEAM WILL SHOW YOU HOW TO VERIFY THE CAMERA'S CONNECTION. SHOULD THERE BE ANY ISSUES, THE SUPPLIER'S SUPPORT OPERATIVE SHALL BE NOTIFIED AND BE OUT TO ASSIST.

TO SECURE YOUR ONBOARD CAMERA BASED ON THE ATTACHED PRICING LIST, PLEASE COMPLETE THE FORM BELOW AND SEND BACK TO INFO@ALPHALIVE.CO.UK BEFORE AT LEAST 2 WEEKS BEFORE THE EVENT YOU WISH TO ORDER AN EXTRA ONBOARD FOR.

THE SUPPLIER'S TEAM WILL GENERATE AN INVOICE WHICH IS PAYABLE UPON RECEIPT TO CONFIRM THE ORDER REQUEST.
